## LIBERTY LATIN AMERICA PROMOTES DIGITAL RESPONSIBILITY IN OBSERVANCE OF SAFER INTERNET DAY 2020

**Denver, Colorado** – February 11, 2020: [Liberty Latin America Ltd.](#) ("Liberty Latin America" or "LLA") (NASDAQ: LILA and LILAK, OTC Link: LILAB) will celebrate Safer Internet Day (SID) across its markets by focusing on the importance of digital responsibility and the measures individuals can take to use the internet safely.

Observed globally, this year's Safer Internet Day theme is 'Together for a better Internet'. In support of the campaign, Liberty Latin America will conduct a range of activities to raise awareness among children, parents, teachers, and the general public about the importance of internet safety. Across the company, hundreds of team members will join with their communities to host Family Nights, Digital Summits and Internet Safety Education Road Shows.

President and CEO of Liberty Latin America, Balan Nair, commented, "It's hard to imagine life without the internet – it enables people, it connects people, and it helps people to learn, work, play, conduct business and even grow local economies and democracies. Through several initiatives across our region, we will be supporting the communities where our team members live and work by providing educational materials and tools to raise awareness of the importance of digital responsibility. Safe use of the internet is critical for everyone, and as a provider of connectivity, we are fully supportive of this important global effort."

Safer Internet Day is organized by the joint Insafe/INHOPE network, with the support of the European Commission. Each February, millions of people across more than 150 countries unite to inspire positive changes online, to raise awareness of online safety issues, and participate in events and activities across the globe.

### **ABOUT LIBERTY LATIN AMERICA**

Liberty Latin America is a leading communications company operating in over 20 countries across Latin America and the Caribbean under the consumer brands VTR, Flow, Liberty, Más Móvil, BTC, UTS and Cabletica. The communications and entertainment services that we offer to our residential and business customers in the region include digital video, broadband internet, telephony and mobile services. Our business products and services include enterprise-grade connectivity, data center, hosting and managed solutions, as well as information technology solutions with customers ranging from small and medium enterprises to international companies and governmental agencies. In addition, Liberty Latin America operates a sub-sea and terrestrial fiber optic cable network that connects over 40 markets in the region.

Liberty Latin America has three separate classes of common shares, which are traded on the NASDAQ Global Select Market under the symbols "LILA" (Class A) and "LILAK" (Class C), and on the OTC link under the symbol "LILAB" (Class B).
